A WOMAN'S RISK

As a trapeze performer is greater than a man's. She must have a man's courage and a man's muscle to succeed. But she must also work under conditions of which a man knows nothing. Many an accident to women acrobats must be attributed to the sudden weakness to which all women are subject at certain times.

Dr. Pierce's Favorite Prescription for women's diseases which cause weakness. It establishes regularity, dries weakening drains, heals inflammation and ulceration, and cures female weakness. It makes weak women strong and sick women well.

"With pleasure I write today in praise of Dr. Pierce and his medicines," says Mrs. Mary Conway, of Appleton, Lawrence Co., Tenn. "I was troubled with female disease, the back of my head hurt me so I could not lie in bed and I would have to sit up, and then I would have such pains from my waist down I could scarcely rise up. My feet and hands would feel almost like ice. Since taking Dr. Pierce's Favorite Prescription I can sleep well all night. Could hardly drag around before I took your medicine, and now can do my housework and help my husband in the field. Words cannot express the thanks I owe to Dr. Pierce."

Weak and sick women are invited to consult Dr. Pierce, by letter, free. All correspondence is held as strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Common Sense Medical Adviser, containing more than a thousand large pages, is sent free on receipt of stamps to pay expense of mailing only. Send 31 one-cent stamps for the cloth-bound volume, or only 21 stamps for the book in paper covers. Address Dr. R. V. Pierce, Buffalo, N. Y.

WAYNESBURG.

The Macabees have their hall completed and they are now ready to hold the meetings of that Order in their magnificent building.

Clark Reynolds is very ill at his home of a complication of troubles. His physician fears that he is in a hopeless condition. A little daughter of H. H. Caldwell is very ill of typhoid fever at her home.

Waynesburg defeated Wallstown in a game of base ball here Friday evening. Bert Phelps, of Michigan, is pitcher for the home team. Our boys have not had much practice, but if they still keep improving they will be among the best.

Bro. T. M. Smith filled his appointment at the Baptist church here Saturday and Sunday morning. In the afternoon he preached the funeral of one of our very worthy young men—David Caldwell—who died of typhoid fever. His parents have the sympathy of the entire community.

Mrs. M. J. Hubble, of Somerset, is with the family of E. B. Caldwell, Jr. Miss Minnie Sweeney, of Middleburg, who has been spending a couple of weeks with Miss Eva Caldwell, has returned to her home much to the regret of some of our young men. Mrs. Alice Goshorn has joined her husband in Cincinnati. Mrs. Hunt and son, of Somerset, are visiting her brother, Hardin Claiborne, at this place. E. B. Caldwell, Jr., attended the Sunday School convention and also went on a big fishing trip down on the Cumberland last week. Mrs. Ed Elmer, of Cincinnati, is with Mrs. D. W. Caldwell this week.

Last Friday while returning from the ball game the team which Olio Caldwell was driving attempted to run away. All efforts were made to stop them and they were finally stopped. Erian Caldwell had an arm painfully hurt, while her sister, Miss Eva, received several ugly gashes on the face and about the head and was otherwise injured.

HOT WEATHER WEAKNESSES.

If you feel fagged out, listless and lacking in energy, you are perhaps suffering from the debilitating effects of summer weather. These symptoms indicate that a tonic is needed that will create a healthy appetite, make digestion perfect, regulate the bowels and impart natural activity to the liver. This, Herbine will do; it is a tonic, laxative and restorative. H. J. Freegard, propr., Grand View Hotel, Cheney, Kan., writes: "I have used Herbine for the last 12 years, and nothing on earth can beat it. It was recommended to me by Dr. Newton, Newton, Kas." 50c at Penny's Drug Store.

A SPLENDID REMEDY.

Neuralgic pains, rheumatism, lumbago and sciatic pains yield to the penetrating influence of Ballard's Snow Liniment. It penetrates to the nerves and bone, and being absorbed into the blood, its healing properties are conveyed to every part of the body and effect some wonderful cures. Mr. D. F. Moore, agent Illinois Central Railway, Milan, Tenn., states: "I have used Ballard's Snow Liniment for rheumatism, backache, etc., in my family. It is a splendid remedy. We would not be without it." 25c, 50c and \$1 at Penny's Drug Store.

Swift, Armour & Sultzberger and their associates will therefore kindly step forward and be measured for statues to go in the great philanthropist group—Lex. Democrat.

FOR CIRCUIT JUDGE.

The Lancaster Record makes this complimentary mention of our distinguished townsman:

Although our circuit judges are not to be elected until next year, there has arisen already in this district some speculation as to who may be the candidates for that important office. The names of several eminent and popular lawyers are being mentioned in that connection, though no one as yet, has been formally announced. We presume, though we do not certainly know, that the present incumbent, Judge M. C. Sautley, will seek a re-election. This paper, essaying to be non-partisan in all respects, is doubly non-partisan when it comes to the selection of a judge. Without the slightest wish or thought even, to disparage the claims of any other actual or probable aspirant, we declare our preference for Judge Sautley, for the reason that we believe the interests of our people will be best subserved by retaining him in this office. The importance to every one, republican or democrat, saint or sinner, white or black, of a firm, just and impartial administration of the law, goes without saying. Judge Sautley has given us just such an administration. He has been tried and found not wanting. We do not mean that Judge Sautley alone, in this district, possesses the necessary qualifications. There were brave men before Agamemnon and will be after him to the end of time. There are trained and learned lawyers, many of them at our bar, and gentlemen of high character as well. But a brilliant and successful lawyer does not always or necessarily make a good judge. One who has for a long period trained all his faculties and exerted all his energies to the making of one side of the scales out-balance the other, cannot so readily or so easily catch the knack of holding these scales with steadiness and impartiality. It takes time and no short time either, to unlearn thoroughly the mental habit of the lawyer and to acquire the radically different mode of thought and temperament of the judge.

Nor do we mean to assert that Judge Sautley is infallible and has made no mistakes on the bench. In the necessary haste of circuit court adjudications, mistakes of judgment, mistakes as to the law, can not always be avoided. He has, doubtless, made his share, but it is safe to say they have not been errors of the venal or unworthy sort. In fine, Judge Sautley, indisputably, has professional learning, he has trained and acute intellect, he has superb courage and honesty and he has by a long experience acquired the true judicial temperament, the almost unconscious habit of looking at both sides of every question instead of at one only. He is besides, painstaking and diligent, and is in the golden prime of matured manhood. Having in him an excellent and satisfactory judge, we can but think it would be unwise to take any risk of faring worse in going further. We believe we but voice the sentiment of our thoughtful and conservative citizens of all classes and indeed of all parties, in saying that the services of such an official should not be dispensed with lightly, and without reason, and in expressing the hope that Judge Sautley will be retained for another term at least, if such be his ambition, in the high office which he now holds with so much credit to himself and so much satisfaction to the people.

Washington dispatches say there is great uncertainty as to the fate of the canal bill. A strong majority of the senate favors the adoption of the Nicaraguan route. The minority against any canal at all, however, an extremely strong one. It is made up of both Republicans and Democrats, some of whom are honestly in doubt as to the proper route to be adopted by the canal, while others are influenced quite as certainly by the transcontinental railroad interests which are adverse to the building of any canal at all. It therefore looks as if this minority, which is strong and belligerent, would easily be able to prevent a vote at the present time, and sentiment is general in the senate that no canal bill will be passed in favor of the Hepburn measure.

TAX ON BABIES.

Extreme hot weather is a great tax upon the digestive powers of babies; when puny and feeble they should be given a few doses of White's Cream Vermifuge, the children's tonic. It will stimulate and facilitate the digestion of their food, so that they soon become strong, healthy and active. 25c at Penny's Drug Store.

He is often at her feet, yet she treats him with disdain. This lovely little smiling human rose. He is often at her feet, and the reason is plain.

He is her chimpodist, and he treats her little toes.

Nearly 30,000 yards of sausage were devoured in the 11 days of the book-bee season at the Hofbrauhaus in Munich, this spring. It made 152,500 sausages.

MISS M. KAY SALLEE.

The above is a true likeness of the talented young lady who will represent Harrodsburg in the Elocutionary Contest to be given by Managers Sautley & Alverson at Walton's Opera House, Wednesday evening, June 18th. Miss Sallee is one of the handsomest, as well as most popular young ladies in the Blue Grass, and the young lady who defeats her will realize the fact that she has been in a contest, as she is as much at home on the stage as the average veteran and speaks with much ease and grace. She is as popular in Stanford as in her own town, having frequently visited here where she has an extensive relationship. Her subject is, "Hagar."

HUMPHREY.

Mr. J. F. Rigney and wife, of Huble, are visiting friends and relatives in this section.

James Humphrey Post, G. A. R., held its decoration services May 30th at Bethelridge church. Notwithstanding farmers were very busy with their crops a large crowd was present. Ten graves of soldiers, nine of the civil war and one of the war of 1812, were decorated with flowers under direction of Commander Jacob Rigney. The soldiers and the assembly then were called to the stand, where the Rev. J. F. Hopkins delivered the welcome address, explaining the object of memorial day; the importance of educating our rising generation to patriotism, and the justice of honoring those who served their country in its dark days. He was glad to see so many present and cordially welcomed those in attendance. His welcome address was responded to by Commander Jacob Rigney. After prayer by Rev. John Godbey, Elbert Wesley, of Somerset, delivered a very interesting address in which he gave a history of the colonization of our 13 original States, by the oppressed of other lands, and the development of a model republic of self-government by the sweat and blood of our forefathers. The hour of refreshments being at hand, a bountiful repast was spread upon the grounds in which all partook. In the afternoon after a song, "Am I a Soldier of the Cross," was sung, the Rev. W. C. L. Carrell, of Somerset, arose and claimed that though he came very near being born in another land, yet he was born in the United States, and was proud of being a plain American citizen. He believed we should so educate our children as to be proud of our government and its institutions and alluded to our history and believed that God had been with us all along the line. We can not do justice to his able address, but close attention was paid throughout its delivery. A wind and slight shower came up and Elder R. A. Hovious, who was to close the proceedings, made a few pleasant remarks and the assembly dispersed.

E. TARRANT.

CHOLERA MORBUS A DANGEROUS DISEASE.

In many instances attacks of cholera morbus terminate fatally before medicine can be procured or a physician summoned. The safe way is to keep at hand a reliable medicine for use in such cases. For this purpose there is nothing so sure as Chamberlain's Colic, Cholera and Diarrhoea Remedy. W. E. Bosworth, of Lafayette, Ala., says: "In June 1900, I had a serious attack of cholera morbus and one dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy gave me relief in 15 minutes. For sale by Craig & Hooker, druggists."

Patrick William Carey and his four sons, of San Jose, Cal., measure among them 31 feet, 8 inches of stature, the tallest and shortest being two sons, who stand 6 feet 6 inches and 6 feet 2 inches respectively. The father is 6 feet 4. Their combined weight is 1,055 pounds, and all are stout and strong in proportion to their height.

Is a Candidate for Railroad Commissioner for the 2d District, subject to the will of the democracy.

H. H. HENNINGER

Of Wayne County, is a candidate for State Treasurer, subject to the action of the Democratic party.

G. G. GILBERT

Of Shelbyville, is a candidate for the democratic nomination for Congress in this, the 8th district, subject to the primary to be held Saturday, Aug. 9.

LET the executive committee of this railroad district speak now or forever hold its tongue. It can right a wrong by rescinding its snap action in virtually shutting out all the candidates save Mr. McChord, and it must do so or continue to receive the condemnation of all people who love justice and believe that there should be exclusive privileges to none. A hint to the wise is sufficient.

THE House of Representatives to be elected this year will be chosen under the new apportionment made since the Federal census of 1900. There are 29 additional districts, bringing up the total membership of the next House to 386, and there is some uncertainty as to the political changes caused by the reapportionment of the States.

THE prohibitionists of the Tenth district have nominated J. W. Day, the blind fiddler, for Congress, but he won't be able, like Bob Taylor, of Tennessee, to fiddle himself into office. Congressman White is somewhat of a fiddler himself and will doubtless be re-elected.

TWO members of a suicide club have just committed fide de se, but no one need waste any sentiment over the self-destruction of men who belong to suicide clubs. The man who joins such an organization is a fool to begin with. His quietus constitutes no loss to the community.

A GOOD many married women have read with delight that a young woman in the State of New York has been sentenced to 60 days in jail for flirting with another woman's husband. They would have been still more delighted had the sentence been imprisonment for life.

THINGS are a little quieter in the teamsters' strike in Chicago and it is probable that an agreement may be reached. Fights have been the order of the day in the Windy City for the past week, but nobody has been reported killed.

OOM PAUL KRUGER said over two years ago that the price of the Boer war would "stagger humanity." It cost England alone 1,250 million dollars, 22,206 lives and 73,982 made invalids.

TIMBER LAND FOR SALE.

In order to settle the partnership business of John Bonta, Jr., and J. C. Coulter, Mr. Bonta having died last December, we will sell 2,700 acres of timber land in Adair county, Ky. This land contains between 4,000,000 and 5,000,000 feet of Poplar, Oak, Walnut, Chestnut and Hickory timber. This tract of land is close to the famous oil fields of Wayne county and is exceedingly well adapted for agricultural purposes. All of the land is in one body and it is a bargain for some one. For particulars apply to J. C. COULTER, Middlesboro, Ky., or to E. M. Hardin, Harrodsburg, or Oscar Bonta, Falkner, Ky.

GOLDEN WEALTH

Produced by Lincoln County, Ky., Soil.

THE GREEN RIVER DEVELOPMENT CO. has commenced operations on the Dr. Morris farm, one mile from the Baughman well, running day and night. A big well is expected. The Baughman well has been estimated by expert oil men, who saw it bailed, to be good for at least 100 barrels per day, and of high gravity illuminating oil. Wells of this character are far more valuable than a gusher. All of our holdings have been carefully selected and we confidently expect some big wells in near future. We now offer a limited number of shares for sale at 40c a share; the par value is \$1.00 a share, fully paid and non-assessable. Buy-to-day—don't delay—when we get a big well this stock will be advanced and probably withdrawn from the market without notice. 25 shares is the smallest block the company will issue. Remit by certified check or postoffice money order, or call on or address S. P. Gray, General Manager, Crab Orchard, Ky., or W. S. Foutz, Secretary and Treasurer, Bluefield, W. Va.

Class of '02, Stanford Female College.

Mary Byrd Givens, Lucile Cooper, Mary VanArsdale, Ila Lee Holdam, Anna Lee Cook, Sadie Lee Stagg.

THE commencement exercises of Stanford Female College came to an end at 11:30 yesterday morning and the school girls are now enjoying a needed rest. A large crowd was present to see the six young ladies receive their diplomas and an entertaining and instructive program was carried out. The following is the class of 1902: Misses Anna Lee Cooke, Lucile Cooper, Mary Byrd Givens, Ila Lee Holdam, Sadie Lee Stagg and Mary VanArsdale. They were all handsomely gowned in white and their youth and beauty helped form a picture that will not soon be forgotten. On the stage with the graduates were the trustees of the college, Messrs. John Bright, J. H. McAllister, John N. McNeefee, J. S. Hooker and J. B. Paxton and President B. J. Pinkerton. Following is the program of the morning exercises:

Piano—Waltz.....Chopin
Mary Higgins, Levisa Harris.
PRAYER BY REV. S. M. RANKIN.

Piano—Rondo Capriccioso.....
.....Mendelssohn
Virginia Warren.

ANNUAL LITERARY ADDRESS
Rev. B. A. Jenkins, President of Kentucky University, Lexington.

Piano—Sonata.....Mozart
Aurethusa McAllister, Virginia Bourne.

DELIVERY OF DIPLOMAS.
Pres. B. J. Pinkerton.

Piano—Waltz.....Rive King
Stella Hill, Anna Darst.

BENEDICTION.

The address by Dr. Jenkins was indeed a literary treat and it was enjoyed to the fullest extent. The doctor is probably the youngest president of a noted educational institution in the State, but his ability would be a credit to a man of maturer years. The music portion of the program was excellent.

In delivering the diplomas President Pinkerton made a timely and beautiful talk to the graduates, which was greatly enjoyed both by them and the large audience.

The annual concert of Stanford Female College at Walton's Opera House Wednesday evening was a most enjoyable and creditable entertainment. The musical portion of the program, under charge of Miss Ellen Ballou, was very fine indeed and teachers as well as the pupils are deserving of much praise.

Miss Lydia Overall, the accomplished

physical culture teacher, had management of the drills, etc., and that part of the entertainment was of a very high order. The first number on the program was the chorus, "Springtime," in which most of the young ladies took part. Piano—"Coming of Spring"—was next and the following rendered it splendidly: Misses Sue Taylor Engleman, Mary Higgins, Chloe Baughman, Katie Bastin, Sadie Stagg, Mary Pennington, Katie Newland, Bessie Yantis, Mattie McClary, Miss Annie Steele Cook very charmingly recited "Little Orphan Annie" and then Misses Stella Hill, Virginia Warren, Anna Darst, Katie Mereshon, Mary McRoberts, Allie Huffman gave the piano selection, "Hebrides." The readings, "Convict Joe" and "Telephone Romance," by Miss Overall were features of the evening. She is at perfect ease on the stage, is exceedingly graceful and both her enunciation and jestification are good. Piano "March Triumphant," by Misses Katie Newland, Bessie Yantis, Mattie McClary, Katherine Huffman, Kate Waters, Dora Pence, Katie Bastin, Margaret Hocker, Kate Pence was artistically given on three pianos as was "Military March" by Misses Marie Mahony, Sadie Stagg, Sue Taylor Engleman, Levisa Harris and George McNeefee. The last piano selection was "Invitation to the Dance," which was splendidly executed by this sextette of young ladies, Misses Mary Higgins, Mary McRoberts, Katie Waters, Katie Mereshon, Virginia Bourne, Aurethusa McAllister. The fan drill and hoop drill were pleasing numbers and they showed much training of a fine teacher. Some 20 girls took part and all of them are deserving of more complimentary mention than our space will permit. The last number was the pantomime, "Wreck of Pocahontas." Misses Overall, Virginia Bourne, Mary McRoberts, Mary Higgins, Sue Taylor Engleman took part in it and it was enjoyable throughout. In fact, the entertainment was pleasing from the rise of the curtain till its fall and Miss Ballou, the excellent music teacher, and all who took part in it, have every reason to feel good. The crowd was scarcely up to the average, due possibly to the warm weather, but those present enjoyed every number and were made to feel that it was good to be there. It has been some time since a cleaner or more thoroughly enjoyable entertainment has been given in Stanford.

NOT a man was sent to the penitentiary at the term of court just ended at Mt. Vernon.

THE election on the bond issue Saturday will be held at the court house. This will do away with the hiring of carriages, etc.

THE following program has been arranged for the annual elocutionary contest which will be held at Walton's Opera House, Friday evening, June 20: Miss Maud Pope, Danville, subject, "Buying a Feller; Miss Myrtle Britton, Harrodsburg, "Perdita the Marble Statue;" Miss Florence Burnside, Lancaster, "Alameda;" Miss Polly Traylor, Stanford, "Engaged;" Miss Myra Walker, Flemingsburg, "Sister and I;" Miss Anna Darst, Stanford, "Zib, the Mountain Guide;" Miss Jennie Houtchings, Harrodsburg Graded School, "The Charlot Race;" Miss Lillie B. Leavel, Hamilton College, "Lily Servosses Ride;" Miss Willie Boardman, Carlisle, "The Bear Story;" Miss Sara Daniels, Paris, "As the Moon Rose;" Miss Ruby Hackney, London, "The Confessional." The music will be the best to be secured, as will be seen by the following: Vocal Solo, Miss Jennie Lynn; vocal quartette, Messrs. W. E. Arnold, T. D. Raney and Mesdames J. H. Turner and Anna Davison; vocal solo, Mrs. J. H. Turner, Nicholasville; vocal solo, Miss Dot Cameltz, Hustonville. E. H. Beazley, Mgr.

THE rooms over the First National Bank and E. L. Beinhart's store have all been treated to paper and paint, which adds greatly to their appearance. The telephone office and Hon. Harvey Helm's law office are now places of beauty sure enough.

TO THRESH WHEAT.—Marion Bruce, of the East End, has shipped his thresher to Oklahoma, where he expects to do a good business threshing wheat in that splendid wheat country. He left Tuesday and took with him Morgan Boone, Will L. Dudderar and Thomas Johnson, who will help him.
